BETHLEHEM - TRINITY Lutheran School

**Thy word is a lamp unto my feet, and
a light unto my path. Ps. 119:105**

The open book represents the Bible,
the source and norm of our Christian
faith. The lamp has long been the
symbol for intelligence and learning.
In Christian art, the lamp and the Holy
Scriptures together represent the
knowledge and wisdom which come
to us through studying the Word of God.

We Dedicate — this yearbook to Mr. Oscar Albers, our 8th grade teacher. Mr. Albers has completed 45 years of teaching and is retiring at the end of this school year. For his many years of service to our school and church we give thanks to God who has been his strength, his guide, and his counselor. His dedication to the task of teaching and his abundant musical talent has been, through the years, a blessing to all of us who serve with him and who have had the privilege of being one of his students. We ask Almighty God to continue to bless him, to grant him good health, much happiness, and many enjoyable years of retirement.
